National Floral Design has been servicing Calverton National Cemetery since 1978. We are proud to be celebrating our 45th year. We are open every day of the year for your convenience.

We offer Perpetual Care, which consists of four bouquets each month. One placed each week after the Cemetery Clean-up.

If you would like flowers placed and cannot visit yourself, please do not hesitate to order on line or call us. If a personal holiday falls on a clean-up day, we will place flowers after the clean-up.

Delivery is always FREE.
